Approval is based on being contacted by a LLH representative and being offered a specific start date. Any information given about availability prior to approval is only a projected possibility and not a guarantee.

Upon acceptance into our program, a deposit of ½ the fees for the first month of care is due. The remaining ½ of first month fees are due one month before care begins. If start date is less than one month, full fees for first month are due upon acceptance. The deposit will be applied to your first month (4 weeks) of care. Depending on the start date, your second month may be prorated. You may withdraw from our program provided you give at least one month written notice at which time a full refund will be returned less the registration fee which is non-refundable.
